

Welcome camper,

This is an invitation to the first kids camp held by your local Oregon Sharks Rugby Academy. The Sharks were established in 2017 and have a mission to involve all local athletes in the sport of Rugby 7s. This is the fastest growing sport in the U.S. and we take pride in being the first 7s academy in the state of Oregon. Our Academy has two levels, one is the developmental side (this side plays in local tournaments with young collegiate players who are looking to move forward into the professional level) (MLR). Our second side is made up of current professional players that currently play in the MLR, players like Dominic Akina (Austin Gilgronis) who Played College football and rugby at Western Oregon University. Dominic also played 7s with the Oregon Sharks Academy when they first started up.

We are looking to hold our first ever kids camp on May 9<sup>th</sup>, 11<sup>th</sup>, and 13<sup>th</sup> in Salem, OR. The kids camp will be held at Capital FC, the sharks home facility. Here players will learn the game of rugby with details into rugby 7s. The campers will be able to participate with our current roster and will be coached by assistant coaches Alan Hopper and Juwan Johnson. The camp will happen from 6 - 7:30 p.m. on the dates above and campers are welcome to stay after to watch the sharks as they hold their own practice starting at 7:30 p.m. Furthermore, the sharks will be having a home tournament on May, 14<sup>th</sup> and all campers will be welcomed to come and support the sharks as they compete against other local teams in preparation to their annual trip to Anchorage, AK. The Midnight Sun 7s Tournament.

Please reach out to Alan Hopper if you have any questions. The camp will cost \$50 per day or \$100 for all three days that week. Campers will also get an Oregon Sharks T-Shirt for participating. All ages are welcome, we look forward to meeting you!

Go Sharks!
